

CALL FOR ARTISTS
Interactive Art Exhibit

“Become one with eternity. Become part of your environment.”
Yayoi Kusama, Contemporary artist

Exhibit Criteria

This Interactive Art Exhibit features artists whose work creates a unique opportunity for viewer participation and interaction. Artwork will provide an immersive and sensory experience (from visual, auditory, tactile) that is safe and appropriate for all ages. Works will demonstrate a high artistic quality and articulation of the media.

Infrastructure (i.e. monitors, headphones, projectors) must be provided by the artist as part of the artwork. Electricity and a limited number of pedestals available.

Eligibility

We welcome art submissions from emerging (18+) and established artists in Northern California.

Media

Painting, drawing, photography, mixed media, sculpture, installation, film/video/new media, digital art and more. Artworks should be interactive-friendly and touchable.
