

Dear Friends of Art & Ag,

NOW MORE THAN EVER, we need the arts to enrich and strengthen our community.

YoloArts is committed to bringing you our 13th annual Art Farm event to celebrate the beauty of Yolo county farmlands. We invite you to join us on **Sat, October 10, 2020** for a virtual Art Farm Picnic.

This year's event will look a little different from Art Farms past but will hold the same spirit of bringing the beauty of the farmlands and artistic expression to the community. **Depending on the most current Yolo county guidelines, this event will be live-streamed and enjoyed from the comfort of your living room OR outdoors at the Gibson House property and socially distanced - with a limited number of guests.** Either way you will be able to 'harvest' your artwork, bid on the silent auction, and enjoy an individually-packed picnic box filled with Yolo culinary delights.

The Art & Ag Project is now a tradition for artists and art appreciators alike. Praised by the National Endowment for the Arts and featured on America's Heartland, the Art & Ag Project weaves together the arts and a sense of place. By inviting farmers to open their gates, the project provides a rare opportunity for artists to visit these hidden gems and capture landscapes that would otherwise remain inaccessible and unseen.

In our 13th year, the Art & Ag Project continues to engage the next generation through the Seeding Art for Change program and the Dorothy Peterson Arts Grant. These programs enhance student knowledge through farm field trips and art instruction.

Join us and invest in the bountiful future of the Art & Ag Project.

We are grateful for the on-going support we receive from sponsors like you!

Proceeds benefit the Art & Ag Project and partners The Yolo Land Trust and Yolo Farm to Fork.

Thank you for your contribution,

Alison Flory
