

LET'S CELEBRATE 15 YEARS!

The Art & Ag Project has gone down miles of country roads - visiting over 150 farms, with easels and cameras in hand, meeting hard working farming families. These farm visits have inspired thousands of works of art showcased each year at Art Farm. We invite you to join farmers, artists and the community for the 15th annual Art Farm on **Saturday, October 15, 2022.**

This outdoor daytime event brings the beauty of the farmlands and artistic expression to the community - al fresco style on the magnificent grounds of the Gibson House underneath the historic olive and native oak trees. Guests will enjoy a catered lunch and gourmet food tastings from notable local farms and restaurants, along with the best of Yolo County wine and beer. In recognition of 15 years, the event will include a Champagne Bar and a collectible commemorative poster for each guest to take home.

The Art & Ag Project is a beloved tradition for artists and art appreciators alike. Praised by the National Endowment for the Arts and featured on the national TV program America's Heartland, the Art & Ag Project weaves together the arts and helps establish a sense of place. By inviting farmers to open their gates, the project provides a rare opportunity for artists to visit these hidden gems and capture landscapes that would otherwise remain inaccessible and unseen.

In our 15th year, the Art & Ag Project continues to engage the next generation through the Seeding Art for Change program and the Dorothy Peterson Arts Grant. These programs enhance student knowledge through farm field trips and art instruction.

Join us and invest in the bountiful future of the Art & Ag Project.

We are grateful for the on-going support we receive from sponsors like you!

Proceeds from this event benefit the Art & Ag Project and partners, The Yolo Land Trust and Yolo Farm to Fork.

Thank you for your contribution,

Frank Muller
Art & Ag Committee
